Rosie

A Modular System Designed for Collaboration.

Whether it's a formal staff meeting or a quick catch up over coffee, Rosie's range of accessories and modular components provide the flexibility to suit any environment.

Available in three heights and with the option to add castors, Rosie is just as at home in the centre of a crucial brainstorming session as it is for a casual 1:1 meeting.

Okidoki

Workstations

Available in three heights

Folding table

Stools

Chair

Diva

With ingenious cable reticulation concealed within solid timber legs, and the option to supply power via our Seamless Power Modules

Standing Height

Meeting Table

Silo

Silo features sleek leg cap details against cylindrical steel legs which can either add contrast to the frame, or match for a more subtle effect

Jojo

The Jojo Electric Folding Table combines the ergonomic benefits of height adjustable desking with the mobility of a folding frame. Jojo uses a rechargeable battery to activate height adjustment, which promotes agility within the workplace.

Blade

Using one leg profile, one hub (either fixed or flexible) and one rail, the possibilities are never ending. Blade has evolved to include the "Aero" leg for folding tables and small fixed utility tables.
