Technigroup was established in 1984 and with a comprehensive range of system furniture, office seatings and hospitality products for domestic and overseas markets. Housed within its own showroom in Singapore & Malaysia are facilities for Research & Development, Showcase, Warehousing and Administration. The products manufactured by Technigroup were developed in response to needs of specific user groups in terms of pricing, function and flexibility. We constantly strive to meet new and ever-increasing demands expected of office furniture by working in consultation and collaboration with major corporate clients.

We have dynamic and capable team comprising management, design, sales, engineering and project management professionals who have proven field experience in managing multi-million dollar projects.

we emphasize our commitment to the all-important area of after-sales service. While our products feature durability and ease of maintenance, we also give due consideration to areas like product warranty, availability of replacement components, stocking and delivery programs for additional orders and facility management.
